

*BMW Group did not provide individual answers to our questions, but instead sent the following:*

Thank you very much for your interest and inquiries about BMW Group.

Kindly find the attached files above on BMW Group's practices on the topic of Human Rights which is as part of the legal compliance and our Sustainability values. The scope covers also our suppliers and dealer/importer partners.

As for Myanmar, BMW Group does not have any direct investment into the operation. The investment and the operation is by our local partner.
