

## Survey: Jordan garment sector supply chain due diligence (2018)

### Company: Costco

Costco did not answer the survey but did send a brief statement on its approach:

*"[W]e annually audit our suppliers in Jordan per our Code of Conduct and our information indicates these suppliers are in compliance with our Code of Conduct. For more information related to our commitment to Human Rights, I invite you to review our Sustainability Commitment at <https://www.costco.com/sustainability-human-rights.html>."*
