Modern Slavery & Human Trafficking Statement

Fowler Welch Coolchain Ltd is aware that, in relation to the Modern Slavery Act 2015 (the Act), there is a duty on businesses to report steps they have taken to ensure their operations and supply chains are free from slavery, forced and compulsory labour and human trafficking.

In conjunction with our parent Company, Dart Group plc, we as an organisation, fully support the Act and are taking appropriate steps to comply, with our statement being included in the next Annual Report which will be published in July.
