<http://www.sumitomocorp.co.jp/news/detail/id=27950> (Japanese)

2. Do you have policies and procedures in place to prevent your business activities or investment from contributing to human rights abuse and social conflict in Myanmar (including, for example, human rights due diligence measures)? Please specify whether these policies and procedures apply to your company in general, or specifically to your Myanmar investment. If you have human rights policies and procedures regarding investing or operating in Myanmar, are you willing to share them for posting on our website? If so, please send them as a Word or PDF file, or, if available, as a hyperlink.

In the Corporate Mission Statement, our company describes "To place prime importance on integrity and sound management with utmost respect for the individual." Our company signed the United Nations Global Compact in March 2009, which shares the same values as our Corporate Mission Statement, to declare its support for the 10 principles related to human rights, etc. and the Universal Declaration of Human Rights. Furthermore, it describes respect for human rights in the Compliance Guiding Principles and the CSR Action Guidelines for Supply Chain Management. Reference URL:
