DUE DILIGENCE PROCESSES FOR SLAVERY AND HUMAN TRAFFICKING

As part of our initiative to identify and mitigate risk we have:

Spoken with our German parent company, ebm-papst Mulfingen GmbH & Co.KG and it has confirmed the following:

'ebm-papst fulfils the Code of Conduct of the Electronic Industry Citizenship Coalition® (EICC®). This Code of Conduct sets down standards designed to ensure safe working conditions in the electronics industry supply chain and respectful treatment of workers, as well as environmentally sound and ethically acceptable business practices'.

Updated our Supplier Assessment Questionnaire. This questionnaire now asks our suppliers to confirm whether or not they comply with the requirements under the Modern Slavery Act 2015.

Informed our directors and purchasing department of our intentions to mitigate the risk of slavery and human trafficking in our supply chains, and their duties in order to help us in this task.

Our Modern Slavery Act 2015 processes:

- Identify and assess potential risk areas in our supply chains.
- Mitigate the risk of slavery and human trafficking occurring in our supply chains.
- Monitor potential risk areas in our supply chains.
- Protect whistle blowers.

SUPPLIER ADHERENCE TO OUR VALUES AND ETHICS

We have zero tolerance to slavery and human trafficking. To ensure all those in our supply chain and contractors comply with our values and ethics, we have in place a supply chain compliance programme. This consists of a Supplier Assessment Questionnaire, as mentioned above. If our suppliers are unable to confirm to our satisfaction that they have practices in place to mitigate against the risk that slavery and human trafficking are taking place in their supply chains, we will no longer work with them.

We have a dedicated compliance team, which consists of representatives from the following departments:

- Legal (MD)
- Audit and compliance (Compliance Officer)
- Human resources (MD)
- Procurement (Operations Director)
- Sales (MD)

TRAINING

To ensure a high level of understanding of the risks of modern slavery and human trafficking in our supply chains and our business, we provide training to all relevant staff.

This statement is made pursuant to section 54(1) of the Modern Slavery Act 2015 and constitutes our Group's slavery and human trafficking statement for the financial year ending March 2018.
