

Answer to Business & Human Rights Resource Centre

Thank you for providing Epiroc with the opportunity to respond to the report P for Plunder 2020 by Western Sahara Resource Watch (WSRW).

Epiroc is a leading productivity partner for the mining and infrastructure industries and a newly established company. To do business in a responsible manner is important. We are therefore looking into this issue at present.

Sickla, Sweden 9 March 2020

Yours sincerely

Mattias Olsson

Senior Vice President Corporate Communication
